Within each class we would particularly like to acknowledge the children whose attendance percentage in Term 5 has improved since Term 4 and those who have had 100% attendance in Term 5 ~ there are 158 of them altogether. We are especially proud of the 21 pupils with 100 % attendance in Terms 1, 2, 3, 4 and 5. What a FANTASTIC achievement ~ Well Done!

All these children will wear a 'Good Attendance' medal during the first week of Term 6 in recognition of their efforts. Thank you for supporting your child's learning in this way.

As a whole school our average attendance for Term 5 was **95.85%**. This is better than last term, and hopefully a sign of our home and school partnership working well for the continuous programme of learning resulting positively in our children's progress and development. Thank you for your support in this matter.

Please be aware that KCC Attendance Service monitor our school attendance percentages on a regular basis and are concerned when any pupil's attendance is below 92%. We support the local authority procedures with regards to monitoring and review.

We ask that you co-operate with our efforts to continue to improve by ensuring that your child attends school whenever possible, arriving punctually to start each school day. Once again ~ Thank you for your support in this matter.

Yours sincerely
