Within each class we would particularly like to acknowledge the children who had 100% attendance for the term ~ there were **117** of them altogether!! We are also proud of the **25** children who have had 100% attendance in Terms 1, 2, 3, 4 and 5. What a FANTASTIC achievement ~ Well Done!

They will have a 'Good Attendance' medal or sticker in recognition of their efforts. Thank you for supporting your child's learning in this way.

As a whole school our average attendance for Term 5 was **96.62%**. We have been working really hard to promote attendance at school as we believe that a continuous programme of learning is essential to the children's progress and development; we thank you for helping us with our whole school Project 95 ~ we are on track to meet this target!

We have also been monitoring children's arrival time at school and we are pleased to report that there has been a huge reduction in the number of children arriving late to school ~ this improvement gives them such a better start to their learning day ~ so thank you for your efforts in this aspect, they are much appreciated!

As I am sure you are aware ~ KCC Attendance Service monitor our school attendance percentages on a regular basis and are concerned when any pupil's attendance is below 92%. We support the local authority procedures with regards to monitoring and review.

We ask that you co-operate with our efforts to improve by ensuring that your child attends school whenever possible, arriving punctually to start each school day.

Thank you for your support in this matter.

Yours sincerely
