

BROOKFIELD JUNIOR SCHOOL 'COOL MILK' SCHEME

17th December 2014

Dear Parents/Carers

From 1 January 2015, schools across England are legally required to ensure milk is made available during the school day to all pupils who want it. For children aged five and over, we must make milk available free of charge if children are entitled to free school meals. This is because milk is an important part of children's diets.

Here at Brookfield Junior School, we are already operating a 'Cool Milk' scheme where 189ml cartons of semi-skimmed milk are delivered throughout the week for children to drink at break time in addition to serving milk for all children eating school dinners. Any child currently receiving milk at break time must pay for their milk through an online account directly with 'Cool Milk.'

As your child receives free school meals you are now eligible for free milk for your child at break time.

Your child does not have to eat a school meal each day for you to claim their free milk on this scheme.

Should you no longer be eligible for Free School Meals then in order to continue receiving milk for your child you will have to register and pay 'Cool Milk' directly.

Please complete the reply slip below and return as soon as possible if you would like your child to start receiving free milk. Without this reply slip completed we will be unable to start to provide your child with milk at break time.

Yours sincerely,

K.Down
