

Arts/ Cultural Trips

Dear Parent/ Carer,

In order to give our pupils a wider range of experiences than we currently have time to provide during the school day, and to help promote their cultural awareness, we will be running a termly Arts/ Cultural Trip. These trips will take place outside of school hours, during the evenings or at weekends, and will involve activities such as visiting the Ballet, an opera, a classic concert, poetry reading etc.

The school will organise the tickets, and thereby take advantage of a group booking discount. We will also subsidise some of the cost for our pupils. As we are anticipating high demand for these events, the priority will be given to BJS pupils, but siblings will also be able to attend if we have the spaces (however due to funding constraints unfortunately we will not be able to subsidise non - pupils).

At least one member of staff will attend (wearing a Brookfield T-shirt) to meet you at the venue and show you where your seats are, but we would ask that you accompany your child, or to organise for a parent or carer to be 'in charge' of them if you are unable to attend.

This term's trip will be to watch The Nutcracker, performed by Vienna Festival Ballet, at 2:00pm on Sunday 13th November at the Hazlitt Theatre, Earl Street, Maidstone, ME14 1PL.
