

BROOKFIELD JUNIOR SCHOOL
Year 6 Horton Kirby Visit
Evolution and Inheritance
Thursday 19th May 2016

11th May 2016

Dear Parents and Carers

We have arranged for your child, along with the other children in Year 6, to attend a day's workshop at Horton Kirby Education Centre. The day will support your child's knowledge and understanding of evolution and inheritance, a new strand of The National Curriculum.

The trip is an exciting opportunity for your child to be immersed in Science by specialist teachers, who have a passion for Primary Science learning. To promote enjoyment and engagement within Science, we will not be asking for payment towards the trip; however we do require the permission slip below to be completed and returned. If you are available to attend the trip, as a parent helper, please indicate this on the return slip below.

The trip will take place within the school day. The children will be collected by a coach at 9am and return to school for approximately 3pm. Children will need to be prepared for outside learning on this day. We expect your child to wear their school jumpers and t-shirts; however as the activities will be outside, they may wear appropriate trousers and shoes. Trainers are permitted on this day. It would also be beneficial for your child to have a water-proof coat or jacket in case of showers. If the weather forecast is good, please also provide your child with sun cream, we have a Brookfield hat in school they can take.

Please provide your child with a packed lunch – no fizzy drinks or chocolate. If your child receives free school dinners they are entitled to a school packed lunch which will be ready for collection on the day of the visit (please tick below).

As you have completed a BJS-V4 (yellow form) we intend using this information to cover this visit. However, if there are any changes regarding your child's medical condition, a new BJS-V4 (yellow form) needs to be completed and returned to school before the visit takes place. Please note that it is your responsibility to keep the school up-dated with any medical changes concerning your son/daughter.

Yours sincerely

Miss Prince
 Science Leader

To: Miss Prince – Year 6 Horton Kirby Visit – Thursday 19th May 2016

I am willing for my child to take part in the visit to the Horton Kirby. Please provide my child with packed lunch (free school meals ONLY)

I am CRB checked and able to help on this day.

Should the necessity arise, I agree to the person in charge of the party giving consent on my behalf, for anaesthetic to be administered and any other urgent medical treatment to be given.

Signed

Child's name Class
