Dear Parent/Carer

It's that time of year when we begin transition for your child's smooth move into their next class. We understand that this can be a worrying time for both children and parents so we aim to make the process as transparent as possible.

Below you will find a list of where your child's class will be next year and who will be teaching them. Children will spend 4 days in their new classrooms between Monday 9th July and Thursday 12th July. During this time children will be able to experience what life in their new classroom is like and become more familiar with their environment.

If your child is moving into year 3, please note that the classes will not be mixed and will remain as they are presently. You will also be receiving more information soon to guide you through the transition progress. We have lots of fun things planned to help ease them into junior life.

Miss Wilkinson and Mrs Thornewell will continue to provide focussed support across a small range of classrooms. Miss Lancley will continue to support children with interventions for nurture and wellbeing.

Please also note that we are planning to change the class names so that they run thematically through the Flourish Federation, and we will inform you of these changes as soon as possible.

Yours sincerely
