

Year 5 - Newsletter - Term Three

Welcome back after the Christmas Break. We hope you all had a lovely time.

English & Maths

During term three in English, we will be looking at the poem "The Highwayman" by Alfred Noyes. In Maths, our big question will be "Can I use my understanding of Fractions, decimals and percentages to calculate in a variety of ways." The children will be extending their knowledge of fractions including adding, subtracting, multiplying and dividing. If you could help the children improve their timetables skills that would be fantastic.

History & Science

This term we will be studying the Anglo Saxons in History. Animals including humans in Science, this will include puberty and sex education (you will receive a letter regarding this that needs the reply slip returned by Thursday 11th January 2018).

Art/DT - will link with our history topic.

PE & Swimming

PE day is Thursday - Please ensure earrings are taped or removed on these days and that children have their PE kits in school. All children are expected to take part in all PE lessons unless a written letter is sent on the day. Swimming day is Wednesday - please ensure that the children have their swimming costume/trunks, towel and goggles, also a warm hat and coat for the walk back to school.

Anglo Saxon Workshop

On Friday 12th January - we will be having a visit from Portal of the Past; this will support our learning on the Anglo Saxons. If the children would like to dress up on the day as an Anglo Saxon that would be great, but we have no expectations for everyone to do so.

Music

For music - we are continuing to concentrate on learning the songs and moves for the Young Voices Concert, which is on Tuesday 6th February 2018 (further details will be sent closer to the time).

We look forward to your continued support throughout term three. Should you have any questions please do not hesitate to come to the classroom door at the end of the school day, write a note in the home/school communication book or message us on Dojo.
