Executive Headteacher: Mrs P Woods Cert. Ed. NPQH

Nit Week!

23rd – 27th October 2017

We have had a few cases of little unwelcome visitors this term! We obviously want to crack this issue as soon as possible! To help we will be having a Nit Busting Week during half term.

We are asking parents and carers to check their child's hair each day during this week and treat any little visitors that may appear!

Here are some helpful tips for keeping hair nit free following our Nit Busting Week:

- Keep long hair tied up
- Check hair regularly for nit and their eggs
- Keep an eye out for itchy heads/ scratching fingers
- Treat hair as soon as possible if nits appear.

Another extra which has proved popular with staff members is Nitty Gritty Defence Spray. This does cost £11.50 however lasts for ages! It is a useful repellent, easy to apply and has a pleasant smell. If you are interested in this product or want to search other helpful products please visit the following website. There are also cheaper, similar products available from other places (any pound shops do their own versions too!).

www.nittygritty.co.uk

All families are entitled to a free prescription for a metal 'Nitty Gritty' nit comb at their doctors. Please ask at the school office for more information.

As always we thank you for your continued support in areas like this. We can make a difference if we all work together! If you would like any advice or support with nit related issues please speak to your class teacher or ask at the school office.
