

BROOKFIELD JUNIOR SCHOOL STEM DAY

11th June 2015

Dear Parent/Carer

At Brookfield we pride ourselves on having excellent relationships with other local schools. From this, Holmesdale Technology College have invited our Year 5 pupils to attend a STEM Day on Tuesday 16th June, where they will take part in a range of fun practical STEM tasks in science, technology, engineering and mathematics. Thus we would like to offer them the opportunity to take part in this exciting day!

The children will travel to and from Holmesdale on a coach and will be accompanied by members of staff from Brookfield Junior School. The trip will happen during normal school hours so your child can arrive and be collected from school at the normal times. There is no cost for this trip but children will be asked to bring a packed lunch for the day, we can only provide packed lunches for those who receive free school meals.

As you have completed a BJS-V4 (yellow form) we intend using this information to cover this visit. However, if there are any changes regarding your child's medical condition, a new BJS-V4 (yellow form) needs to be completed and returned to school before the visit takes place. Please note that it is your responsibility to keep the school up-dated with any medical changes concerning your son/daughter.

Yours sincerely

Miss Prince
Year 5 Teacher

To: Miss Prince ~ STEM Day at Holmesdale Technology College

I am willing for my child to take part in the STEM Day at Holmesdale Technology College and to travel there and back on a coach

My child receives free school meals and I would like them to be provided with a packed lunch

Should the necessity arise, I agree to the person in charge of the party giving consent on my behalf, for anaesthetic to be administered and any other urgent medical treatment to be given.

Child's name..... Class.....

Signed.....
