

BROOKFIELD JUNIOR SCHOOL SAFER INTERNET DAY Tuesday 9th February 2016

29th January 2016

Dear Parents and Carers

Does this sound familiar to you?

Children understand the technology but not necessarily the risks; adults understand the risks, but not necessarily the technology!

Well, let's do something about it together!

At Brookfield we have a whole school approach to e-safety and we try to protect our children whilst they are in our care and educate them for when they are not.

So ~ together with the rest of the nation, we will be celebrating Safer Internet Day on Tuesday 9th February and we'll be following this year's theme:-

Play your part in a better internet.

We believe we can create a better internet together and so we invite you to join us on the day and take part in some of the activities with your child.

The arrangements are as follows:-

9.00am – 10.00am	Yr3
10.45am – 11.45am	Yr4
2.00pm – 3.00pm	Yr6

Please note that Yr5 are absent from school on that day, and so parents of children in Heron Class and Woodpecker Class are invited to join in the activities on Monday 8th February from 2.00-3.00pm.

In the meantime, you may wish to help yourself to help your child and visit some of these useful websites:-

www.thinkuknow.co.uk

www.childnet.com

www.kidsmart.org.uk

www.saferinternet.org.uk

Use it as a way of learning and keeping yourself and your family informed, and a way of having fun together in an ever developing technological world.

Parenting and relationships are key to keeping children safe online ~ and so we look forward to meeting with you on Safer Internet Day and working together to keep our children safe at all times.

Yours sincerely

M J Blewer
