School Photos

22nd September 2017

Dear Parent/Carer

The school photographer will be in school on Friday 29th September from 8.20a.m.

The day will run as follows:-

- From 8:20a.m. we welcome you to bring your pre-school aged children to the school hall at Brookfield Infant School if you would like them to be photographed.

Every pupil at both Brookfield Infant School and Brookfield Junior School will have an individual photograph taken of them during the school day

- Any siblings at Brookfield Infant School (only) will be taken during the school day. No sibling photos will be taken at the Junior School.
- At Brookfield Junior School a class photos will also be taken, at the Infant School these will be taken later in the school year.
- From 3:10p.m. we have also arranged for sibling and family groups to be taken on request. These photographs will be taken straight after school in the hall at Brookfield Infant School. Please queue outside the Infant School reception and wait to be called in to the school hall.

NB. If you have children across both schools and/or Junior school siblings they will not have had a sibling photograph during the school day so you will still need to go to the Infant School if you wish for any family group/sibling photos to be taken.

We feel sure that you would welcome the opportunity to purchase your child's school photos in time for Christmas - they make fantastic presents for family and friends!

The proofs of the photos will be sent home to you as soon as possible so that you can order the photos you require.

Yours sincerely

P. Woods

Mrs P. Woods
