Things to consider.....

- visit the school - most schools have open days you can go to
- ask other parents what they think about the school
- check the school's admissions criteria - this sets out how schools choose which children to offer a school place to. This is often: Children in Care, siblings health reasons, distance from home
- read the school's Ofsted reports
- think about what school transport is available
- find out how the school can support your child if you are choosing a school for a child with special educational needs

Assessments e-mailed / posted
to parents

12th October 2017 (letters to
arrive 13th October)

Kent LA will pass all Kent secondary schools an electronic list of the details of all children who have named them as a preference **without indicating whether they were a first, second, third or fourth preference.**

The LA use a computerised system to compare the lists and allocate school places.

Parents will be notified on **1st March 2018 (email)**, of the offer of a single school place, and they will be told how to lodge an appeal if they are not happy with the offer they have received. **Online notifications will arrive by e-mail after 4pm on Thursday 1st March; letters will arrive on 2nd March.**

School Transport

You will not automatically receive transport assistance to any school that offers you a place.

As a general rule, free transport is offered if their allocated school is:

- The nearest appropriate school, and
- Is more than 3 miles from home

You may also receive free transport if you are from a low income family.
