

# Brookfield Junior School

## Newsletter

The Flourish Federation  
Brookfield Infant School and  
Brookfield Junior School

Term 2 – written by the School Council

### Macmillan

For MacMillan, a pupil from both the Infants and Juniors went to Brakes, a food wholesaler to collect different foods to sell at the Big MacMillan Coffee Morning. During the event, children were eating yummy cakes with parents and carers. You could enter a raffle and have your photo taken with a giant Gingerbread Man.

### Socktober

In October, the school council organised their first charity fundraiser, Socktober, for the 'Ellenor' charity. During the day, children could take part in fun games and activities as well as wearing crazy, funky socks. They managed to raise £238.70.

### Eco Council – what is Bio Diversity?

- It doesn't matter that an ant is small and a whale is big, it is about treating all creatures the same.
- Respect plants like how you want to be respected.
- 17 trees are worth about 1 tonne of paper.
- 1 full bag of recycling = 1% of a tree.
- So only use the amount of paper you actually need or else it is wasting.
- We are aiming for Silver Eco Schools Award.

**Top Photos:** MacMillan - We had a great raffle where lots of prizes were won.

**Bottom Photos:** Socktober - The school council collecting money from all of the activities they organised.

### Joke Box

- What did you learn at school today?
- We learnt how to write.
- What did you write?
- I don't know, we haven't learnt to read yet.
- Knock Knock
- Who's there?
- Dohnut
- Dohnut who?
- Do not worry

### Guess The Adult

Clue 1: I love to dance the Salsa.

Clue 2: My favourite food is chocolate.

Clue 3: I love gardening.

Answer will be revealed in the next issue.
