

WELCOME TO
BROOKFIELD JUNIOR SCHOOL
Academic year 2015 ~ 2016

Dear Parent / Carer

As Head Teacher of the school, together with my colleagues, I welcome you as parents and carers of our pupils; not only the children who have moved on into Years 4, 5 and 6, but especially new children to Brookfield and our new intake of children in Year 3.

Our school offers a happy and safe learning environment where each child is given the opportunities to develop and progress to their full potential. We appreciate this opportunity to develop your child's skills and abilities through their enjoyment and educational development here at Brookfield.

We believe that communication between home and school is very important and we draw your attention to our regularly updated school website

www.brookfield-jun.kent.sch.uk

Each child will bring home ~ 'My Home-School Communication Book' which is our means of day-to-day communication. Regular text messages will also continue to keep you up-to-date with all school matters.

As Term 1 starts, we have already met with our Year 3 parents, and would now like to invite parents and carers of children in Years 4, 5 and 6 to our "**Meet the Teacher**" meeting which will be held in the hall at **2.30pm on Thursday 17th September**.

We will talk through our procedures and expectations and any new initiatives for the coming year.

At the end of the meeting, you will meet your child's new class teacher and join your child in their new classroom, so that you have a visual idea of their learning environment for this academic year.

You can also place orders for our school waterproof jackets ~ costing £16.50 each.

Yr6 parents ~ there will also be an opportunity to find out about Secondary Transfer at 3.30pm in Yr6 classrooms.

A few written notes and the details of our new initiatives will be available on the day and will be sent home for any parents who are unable to attend the above meeting.

This promises to be another exciting and enjoyable year at Brookfield, engaging the children's interest in their learning, and we look forward to working closely with you as we continue to ensure Brookfield is the best it can be.

Yours sincerely

M J Blewer
