

YEAR 6 FUNDRAISING AND LIFE SKILLS NEWSLETTER

January 2018

FUNDRAISING SO FAR.....

We have had a fantastic start to our fundraising efforts for the Year 6 Life Skills training and the PROM. A massive thank you to everyone that has helped so far!

Our current total is £1263!

Whilst our focus has been on raising funds it has also been a great opportunity for the children to be a bigger part of the wider community and learn new skills. We have all really enjoyed working with them.

SPENDING.....

Our first donation of money has gone to the school for an additional school trip for Year 6. This will be to The Chatham War Time Experience which will be a fun trip inline with their school learning. Without our donation this trip would not be able to go ahead.

COMMON ROOM UPDATE....

A small team of parents and volunteers from the local community have been busy setting up the common room since before Christmas. There's still lots of finishing touches being worked on and anyone who would like to be part of the volunteers team for lunchtime cover should let the school know.

LIFE SKILLS.....

We already have some definite plans for some life skills training for Year 6 in the summer term. This includes:

First Aid Training

Tie a Tie

Shoe Polishing

Sewing on a button

Snack preparation

Touch Rugby

Budgeting

Reading a bus timetable/using a bus

Mindfulness

We are also hoping to add some additional sessions which may include:

Equality & Diversity

Personal Safety

Self awareness & respect for others

We are looking for volunteers and facilitators for some of our life skills training so please let us know if you or someone you know can help in any way.

We're also interested in hearing any additional ideas you have.
